Summary

Creative and detail-oriented Frontend Developer with over 2+ years of experience building responsive, user-focused web applications. Skilled in transforming UI/UX designs into functional and optimized interfaces using modern frameworks. Experienced in managing complete development cycles, cross-functional collaboration, and performance tuning. Strong understanding of accessibility, SEO, and responsive design best practices. Proven ability to contribute to team success in fast-paced, agile environments.

Experience

NovaCTO (Swiss-based) – June 2025 – Present
Frontend & Angular Developer, Islamabad, Pakistan

- Designed and developed responsive web interfaces using Angular, ReactJS, Tailwind CSS, and Material UI.
- Work closely with UX/UI teams to convert high-fidelity prototypes into fully functional front-end components, ensuring pixel-perfect implementation across devices.
- Collaborated with UX/UI teams to convert prototypes into functional components with pixel-perfect implementation.
- Optimized application performance, reducing load times and enhancing code structure for scalability.
- Created reusable components for rapid development and consistency.
- Conducted debugging, testing, and troubleshooting to maintain system stability.
- Managed code repositories with Git/GitHub and supported CI/CD processes using Bitbucket.
- Participated in daily stand-ups and sprint planning for agile project execution.

Volpea Solutions (US-based) – November 2024 – June 2025
Frontend & Angular Developer, Islamabad, Pakistan

- Design and develop dynamic, responsive web interfaces using modern frameworks, including ReactJS, Angular, Tailwind CSS, and Material UI, to deliver seamless user experiences.
- Worked with UX/UI teams to ensure accurate implementation of designs.
- Enhanced application performance and created modular components for development efficiency.
- Managed Git/GitHub repositories and supported CI/CD processes with Microsoft Azure.
- Engaged in daily stand-ups and sprint planning with cross-functional teams.

Easytect UG (German-based) - Jan 2022 – Feb 2024
Frontend & UI Developer, Islamabad, Pakistan

- Developed user-friendly web interfaces using HTML5, CSS3, JavaScript, and PHP.
- Translated UI/UX designs into functional code, ensuring cross-browser performance.
- Implemented design improvements for enhanced user journeys and applied SEO strategies.
- Resolved front-end bugs to improve site stability and user experience.
- Transitioned project management tools from JIRA to ClickUp for better collaboration.
- Collaborated with backend developers for seamless API integration.

Education

Bachelor of Science in Computer Science - Oct 2020 – July 2024
Federal Urdu University of Arts, Science and Technology, Islamabad, Pakistan - **CGPA:** 3.62 / 4.0

Projects

1. **Portugal MLS**
- Mobile-first redesign, improving conversions by 35% and reducing bounce rate by 42%.
- Built with Bootstrap, Material UI, bilingual interface, and interactive map features.

2. **Customer Complaint Management System**
- Developed a user-friendly layout with JavaScript and jQuery.
- Built a PHP-based asset management tool for 30+ users.

3. **Pizzeria Sereno**
- Created bilingual UI, improved accessibility, and reduced bounce rate by 30%.
- Conducted user testing with InVision/UserTesting.com

4. **Meeting Scheduling App**
- Designed brand-consistent layouts using Bootstrap 5, Laravel, and JavaScript.

5. **Pizza Order Management System**
- Built a multilingual, responsive platform with consistent UI/UX and accessibility focus.

Technical Skills

- **Languages & Frameworks:**
  HTML, HTML5, CSS, CSS3, JavaScript, jQuery, ReactJS, Angular, PHP, Laravel, Node.js
- **Tools & Platforms:**
  VS Code, Visual Studio, Sublime Text, Git, GitHub, Microsoft Azure, Bitbucket, JIRA, ClickUp, Slack, FileZilla, Hostinger, cPanel, Microsoft Office, Mongo DB, SSMS.
- **Frameworks & Libraries:**
  Bootstrap 5, Tailwind CSS, Material-UI, Ant Design, React-Bootstrap, ngx-bootstrapm
- **Methodologies:**
  Agile, Scrum, Waterfall

Skills & Expertise

- Responsive Web Design
- Cross-Functional Collaboration
- Agile Development
- Problem Solving
- Project Management
- Version Control Workflow
- Documentation & Reporting
- Task automation
- Office administration & Record keeping
- Inventory Management
- Filing and record keeping
- Communication Skills
- Time Management
- Quality Assurance
- Debugging & Troubleshooting
- Accessibility Standards (WCAG)
- Performance Optimization
- Attention to Detail
- Client Interaction
- Data entry & Data visualization
- Office administration
- Customer service and Emails
